Pacific Northwest
Color Management Users Group

in association with NUREG, LLC, presents

CMUG's Annual

Summer Gathering for Color Management Professionals!

Remember the noisy camaraderie that fills the room at CMUG events throughout the year, when we take a break from the presentation and everyone mingles and enjoys talking shop amongst their peers?

Then you won't want to miss our annual summer beer and pizza event where we have the opportunity to expand on the wonderful energy that only technical geeks at the depth and height of their environment - sharing and learning one on one with their peers.

Please join CMUG and co-sponsor **NUREG, LLC** at the Lucky Lab Beer Hall, 1945 NW Quimby, for a perspective on color, production workflows and how these affect the global industry. 6:00 to 9:00 pm. Private Party Room has been reserved. *Sign up now at pnwc mug.com*

Pacific Northwest Color Management Users Group (CMUG), www.pnwc mug.com, is a user-based organization dedicated to the education of its members. It is designed to provide a forum to discuss Color Management issues, to test and discuss available technologies and products, and to help members get started or improve their existing Color Management. Sponsors include Alder Technology, CHROMiX, Inkspot Graphics, NUREG, LLC, The Oregonian and Zebra Graphics.
